

Union House Arts (UHA) is currently accepting proposals for exhibitions relating to the theme of Family, to take place between May 2024 and September 2025

The theme, FAMILY, relates to and examines the inherited social structures and relationships that we form within our communities and households as we navigate community relationships within colonial and capitalist systems. It also prompts the question of how the notion of family can exist outside of colonial capitalist conventions. Relevant concepts that will be prioritized will include work that is responsive generational healing, heritage, chosen family, capitalism, alternative economies, grief, and sustainable rural futures.

Newfoundland and Labrador artists who have been living permanently out-of-province will be given special consideration for one exhibition slot if their proposal fits the selection criteria. If you would like to be considered for this slot, please self-identify in your application.

Artist fees and compensation:

Selected artists will be paid exhibition fees as per 2024/25 CARFAC-RAAV recommendations. Please note that UHA is a Category I organization. Pending funding, additional opportunities may be available for additional programming and associated artist fees, such as artist talks or workshops. A shipping and/or travel budget will be available and coordinated between the gallery and the artist.

How to apply:

Please use the Submission Checklist to prepare your application. Please upload images as jpeg or png files(max 2MB per image), and send videos as links (i.e vimeo), providing passwords if necessary. Upload your application to the google forms link provided below.

You may also submit your application as a video (under 10 minutes) if that is more accessible to you. In your video please make sure to include all the information outlined below.
